Hazardous Materials Technician Specialist Refresher

<u>Course Dates</u>	<u>Course Location</u>	<u>Class Code</u>
April 22-24, 2014	CSTI – San Luis Obispo, CA	HTECR2-13
June 16-19, 2014	CSTI – San Luis Obispo, CA	HTECR3-13

This course provides a review of hazardous materials emergency response training critical issues in addition to up-dates on new technologies and guidelines. The object of this refresher class is to update, gain knowledge and skills to maintain competency as a hazardous materials Technician or Specialist responder. Students will be refreshed on various subjects and skills you have acquired from Hazmat Technician and/or Specialist training classes. There will be classroom lectures, tabletop exercises and field exercises for training reinforcement. A final written exam will be given at the conclusion and must be passed with 70% or above to obtain a certificate of completion.

This course is based on competencies and performance objectives at the Technician or Specialist level. A certificate of completion of a hazardous material Technician or Specialist class is a prerequisite to enroll.

The course will be 24 hours in length and shall provide refresher training as identified in Title 8 California Code of Regulations, Chapter 4, Section 5192 and Title 19 California Code of Regulations, Section 2520. This refresher class meets the REHS program continuing education requirements of 24 hours.
